

District Touch Trials

On the 9th of March the Innisfail District touch trials were again held at the Wangan Sports fields. Good Counsel College entered a strong contingent of teams including both open boys and girl's teams as well an under 15 boys' team and 2 under 15 girls' teams. All teams performed admirably throughout the carnival coming away with several wins but it was the under 15 boys' team that stole the show winning the competition with an unblemished record of 3 wins from 3 games. Overall the day was a great success for GCC with a number of students being selected for representative honours to represent the district at peninsula trials in the weeks to come.
