

Baseball Peninsula Trials

On the 11th of June the Peninsula Baseball Trials for open boys was held in Cairns, Trinity Park Baseball Grounds. Riley Horton, Sam Morrison and Liam Ghietti attended the trials and all three students were commended. Riley was chosen for the team while Sam and Liam were chosen as shadows. The students of GCC continue to display their increasing interest, support and talent for this sport. I would like to congratulate the boys on their achievements and their sporting abilities. Well done!!
