Tension was building as the gutsy 1st XI of Good Counsel College prayed the prays they had been taught that they could pull off an upset win over the mighty XI of St. Augustine's, Cairns. The team was complete with names such as Spannagle, Tait and Kelleher gracing their presence to form one of the strongest teams in GCC history.

But this was a day when individual performance was not the winning factor, but teamwork and fair play proved the winning formula.

After a decisive victory over St. Mary's College where our players dominated with both bat and ball, the scene was set for a 1st place showdown.

Our boys started off strongly, fielding with gusto and bowling with controlled aggression to limit St Augustine's to a lowly but challenging score.

Our 1st XI started with the bat strongly, the opening pair grinding out a confident partnership but St. Andrews hit back strongly with the ball, taking three quick stumps. The pressure was on, but our boys pulled through to defeat the favorites and move to top of the Cairns group.

We now await the next challenge for this group of players ready to take all in their stride.

The team consisted of the following guns:

Aymon Adiat, Aman Dother, Thomas Gallagher, Riley Horton, Ben Kelleher, Aiden Smith, Jake Spannagle, Daniel Rostedt, Peter Wolbers, Trent Tait and Nathan Zahra.
