

Kelsie Ross – Under 18 Nth Qld ‘Lifesaver of the Year’

In the 2014/2015 season, Kelsie Ross (grade 12) was nominated as the ETTY Bay Surf Life Saving Club ‘Lifesaver of the Year’. She was chosen for her contribution to her local club and her many admirable qualities that she shares and encourages the youth to have within the club.

Kelsie has completed a career total of 331 patrolling hours, assists with water safety, training of nippers, attends club meetings and assists in organising fundraising events. She has gained her Bronze Medallion and Resuscitation and First Aid Certificate. This past year Kelsie has become accredited as an Age Manager and IRB Crewman and is the ETTY Bay Marine Stinger Officer.

As a third generation lifesaver, on both sides of her family, Kelsie has a love for helping others. This passion has been recognised by the North Queensland Surf Lifesaving community as Kelsie has recently been awarded the NQ Branch U18 Surf Lifesaver of the Year. She will soon travel to Brisbane for a Gala Presentation and to compete to be the Queensland Lifesaver of the year.

Good luck Kelsie
