## Under 12 Peninsula Trials

Recently the U12 Rugby Union peninsula trials were held at Cairns. Good Counsel College had two students represent the college in the district team which were the overall winners of the carnival. **Orlando Swain** and **Sam Tschui** played in the district team and were named in the Peninsula team to compete in Brisbane in late August. All reports indicate that the boys performed valiantly and should be proud of their efforts.

## Under 14 Queensland Country Muster

The Rugby Union Queensland Country Muster was held in Emerald over the Queen's birthday long weekend. **Lachlan Ah Shay, Flynn Lowrey, Esen Abraham** and **Jarrold White** all from GCC played in the FNQ U14 side to take on the best of Country Queensland and they certainly did us proud. The team made it to the semi-finals and won. Then in the Grand final went down by only 3 points. Flynn Lowrey was selected in the NQ side to play at TSS School on the Gold Coast for the State championships in early July. The boys showed great sportsmanship and made many friendships over the weekend.
