

Open Peninsula Boys and Girls Soccer Trials

The Innisfail District soccer teams comprised of 18 players from the Good Counsel College, 11 boys and 7 girl players.

The boys team performed well with a 6-2 win against the Tablelands, a 4-3 loss to Cairns South and a 1-1 draw against a very strong Cairns North team. Noticeable achievements for our boys was a hat-trick from Charlie Pagano, and a double for Luke Portelli, against the Tablelands.

The 1-1 draw against Cairns North was an excellent result with the Cairns team having players from both Cairns High, and ST. Augustines.

Four of our players made the possibles v probables team, but only Charlie Pagano was able to make shadow.

The girls team lost all three games on the day but were steadily improving with every game. For the Girls team Abbey Hurney was strong all day and was selected for Peninsula, and Chelsea De Angeli, Shellie Long, and Jordyn Howell made shadow.
