

Softball Peninsula Trials

On Friday the 20th of February the Peninsula Softball tryouts were held at the Martyn Street Fields in Cairns. Ten female GCC students (and one student from Tully High) attended the event to represent their school and district. This year had a record number of students attending from GCC as well as in total for the sport. The students participated in multiple skill based drills and games against other 'club trained' districts and displayed a very high level of learning, ability and sportsmanship. Two of our students were chosen as shadow recruits for the peninsula team (Keely Jones and Chrysanthi Taifalos). Overall it was a fantastic day and excellent experience for our girls, congratulations and well done!

Mr Liam Auer
