

Tennis News 2015

Good Counsel college Tennis players Isaac and Rowan Santitto, Jacob Perske, Sophie Stefanon, Brenna Lindsay, and Darcy Edgerton, all made this year's Innisfail District Tennis Open's teams.

The Innisfail District players trialled at the Cairns International Tennis centre for positions in the Peninsula team with Jacob Perske making the Open boys team and Sophie Stefanon making shadow for the Open girls.

This year the State finals were also to be held at the Cairns International Tennis centre, but the trials were cancelled earlier in the week because of the cyclone warnings for that week.

Peninsula Tennis called in a panel to select their State team players who will go to the National Championships during the 2nd-10th May; Jacob Perske came under consideration but unfortunately was not selected for the Nationals, but he will be all the better for the experience, and we look forward to seeing his progress over the next twelve months.
